    Converts to RCA.

60ft Extension Wire
Ends on the 60ft extension wire. Power (red), & Video (yellow)

FEATURES OF THE CLEARVU5

8" Ultra Slim LCD
View your camera live on the included monitor. This monitor allows you to connect an additional camera and automatically cycle between both cameras (extra camera sold separately - CV67).

Hi-Res Indoor/Outdoor CCD Camera
The high quality CCD image sensor in this camera provides a clear, crisp and consistent picture at 420 TV lines of resolution. It also allows you to better distinguish facial features, which can help in the positive identification of individuals.

IR Night Vision
The camera comes equipped with 12 infrared LEDs that allow you to see in the dark, up to 15 feet away![1] They activate automatically when it gets dark, and deactivate during the day to save energy (CDS sensor).

Weatherproof Camera
The camera in this system is built for the outdoors with professional grade weatherproof housing[2] and a sunshade.
